

Easy to Love You

Grateful Dead

Good, good morning so good to see you
Weren't just a dream of mine
Real as a raven, real as thunder
Real as the sun shinin' But still so very undefined
Can't imagine what's
Behind those sleepy eyes Little stranger, don't try to hide now
You look so young when you're afraid
There is no danger but from the Devil
He may want you but I'm in His way You don't know how easy it is
You don't know how easy it is to love you And come the moon rise, when the dew falls
Don't be the sun that fades away
Don't leave me darkness
She is no lover, she hides the day You don't know how easy it is
You don't know how easy it is to love you
You don't know how easy it is
You don't know how easy it is to love you You don't know how easy it is
You don't know how easy it is to love you
