Spead my words like a preacher!

Drum 'n' Bass still on the map!
'Pon the mic you can't stop me!
Flat on your back like one, two, three! Yeah!
Here we come!
Love in a woman's heart
I want it at the whole and not a part
Strange that this feeling grows more and more
'Cause I've never loved someone like you before All right! Love in a woman's heart
I want it at the whole and not a part
Strange that this feeling grows more and more
'Cause I've never loved someone like you before Bass drum! Love in a woman's heart
