Reset After All

Shaka Ponk

Oh Ah ! Oh Ah ! Oh !
Ah Ah ! (x10)

I cannot control myself, I cannot control myself,
I'm wicked ! (Oh !, Ah ah ! x3)
I might need someone to help ,
I might need someone to help,
to make it !(Oh !, Ah ah ! x3)

Who's gonna catch your fall ?
Reset after all !
Open un poco and gimme tu mano,
da me la mano , yammmm
How do we fix this mess ?
With some love I guess
Reset un poco
solo no puedo , solo no puedo , yammmm

I cannot control myself, I cannot control myself,
I'm wicked(Oh !, Ah ah ! x3)
I killa might need someone to help ,
I might need someone to help me,
To make it (Oh !, Ah ah ! x3)

Who's gonna catch your fall ?
Reset after all !
Open un poco and gimme tu mano,
da me la mano , yammmm
How do we fix this mess ?
With some love I guess
Reset un poco
solo no puedo , solo no puedo , yammmm

(he's gonna catch ya x4)

I cannot control myself, I cannot control myself,
I might need somebody else,
I might need somebody else,
I cannot control myself, I cannot control myself, (Oh!)
I might need somebody else,

I might need someone to help
ONE TWO ONE TWO !

Who's gonna catch your fall ?
Reset after all !
Open un poco and gimme tu mano,
da me la mano , yammmm
How do we fix this mess ?
With some love I guess
Reset un poco
solo no puedo , solo no puedo , yammmm
solo no puedo , yammmm (x3)

you reset after all (x4)
