

Long Live The Party

Andrew W.K.

I want to have a party
I want to have a party
I want to have a party
I want to have a party
You cannot kill the party
You cannot kill the party
You cannot kill the party
Long Live The Party I want to have a party

I want to have a party
I want to have a party
I want to have a party
You cannot kill the party
cannot kill the party
cannot kill the party
cannot kill the party
Long Live the Party Do you care, what you are?
Where's your pride? We don't know
But we don't wonder why I want to have a party

I want to have a party
I want to have a party
I want to have a party
You cannot kill the party
You cannot kill the party
You cannot kill the party
Long Live The Party I want to have a party

I want to have a party
I want to have a party
I want to have a party
You cannot kill the party
You cannot kill the party
You cannot kill the party

Long Live The Party The conquest will survive The more that you can give it, then the more it will be
And if you do not have it, you can take it from me
All we ever wanted was a thing to believe,
And now that we have found it, we have all that we need. The more that you can give it, then the more it will be
And if you do not have it, you can take it from me
All we ever wanted was a thing to believe,
And now that we have found it, we have all that we need. We have found our pride.
