

Don't Let Me Down

[Idina Menzel](#)

Where do you go
When you're alone and in your head
What do they know of you
Is your story painted in red
What do you see
What do you dream when you're awake
What have they seen of you
Are you afraid of what's been said
And if time stood still
If I can't be my teacher, no one ever will

[CHORUS] I hear a voice that's in my head
Don't let me down
Cause I can't hold the future in my head
So many things I should've said
That let me down
And I would be a lucky girl if time stood on it's head
Don't let me down

Don't let me down
Don't let them see
These shadows fallen over me

Where do you go
When you're awake and in your head
What do they know of you
Is your story painted in red
And if time stood still
If you won't be your witness, no one ever will

[CHORUS]

And I can't choose the road ahead
Close my eyes and hold my breath
Hope my little death won't let me down

[2x]

Don't let me down
Ooh
Don't let me down

And if time stood still
If I can't be my witness, no one ever will

[CHORUS]
