

# No Return

## Mortification

Welcome to the kingdom of God  
You've made the best choice for your life  
Now you'll never be alone  
'Cause he always will be with you

### CHORUS

There's no return to things of the past  
There's no return old ways are now dead  
Do not return to your vomit

Like a dog in disgrace  
There are better things in life  
Pursue them and you'll reap rewards

Now go and share with others  
What God has done for you  
If they care not for your new life  
They will receive God's judgement

### CHORUS

Do not return to your past  
For the past is now dead
