## Holly Drummond

VERSE 1:

she sits on the corner of the road  
bags at her feet no she's not going home  
she's waiting for the one  
who'll listen to her say

CHORUS:

take me to the place  
where the buildings touch the stars  
won't you stay with me  
stay with me  
'til the sun eats the dark  
show me all the things  
that we heard about in fairytales  
when we were young  
and didn't have a clue what we'd become

VERSE 2:

she wants to remember what it's like  
to have no fears no worries  
just to live her life  
she's waiting for the one  
who'll listen to her say

CHORUS
