Springfield Cannonball

The Coathangers

I caught you...
I know your words, I see through
Your world is fucking black and white
Used to be your monster
Like you where sitting in your will chairWe're broken bones and broken heartsWhat you think about Springfield Cannonball?
I got no living, I got no living on
So forget about, so forget about Springfield Cannonball
My bed is in position
To watch your television...
You footprints are in your apartment
I will rescue you if you want
Springfield, forget about Springfield
Got no limit at all, got no limit at all
Springfield, forget about Springfield
Got no limit at all, got no limit at all
Springfield, forget about Springfield
Got no limit at all, got no limit at all
Springfield, forget about Springfield
Got no limit at all, got no limit at all
