

# The Last Laugh

Mark Knopfler

Don't you love the sound of the last laugh my friend?

Don't you love the sound of the last laugh at the end?

Down in the gutter with the mad old soldiers

Down in the scuppers with the drunken sailors

Down in the gutter with the mad old soldiers

But the last laugh, baby is yours

And don't you love the sound of the last laugh going down? Games you thought you'd learned, you neither lost  
nor won

Their dreams have crashed and burned but you still keep on keepin' on

Out on the highway with the road gang working

Up on the mountain with the cold wind blowing

Out on the highway with the road band working

But the last laugh, baby is yours

And don't you love the sound of the last laugh going down? They had you crying but you came up smiling

They had you crawling and you came up flying

They had you crying and you came up smiling

And the last laugh, baby is yours

And don't you love the sound of the last laugh going down?

Yeah don't you love the sound of the last laugh going down?
