

Carolina Christmas

Squirrel Nut Zippers

What's that up on the roof? The snow is falling down
Up in some northern town
But a Carolina Christmas
Is still the best around Wrap up your teddy bear
Hang your stockings up with care
It's a Carolina Christmas
We're chillin' in our underwear Well, old St. Nick's got a bag of tricks
And he's comin' 'round after 'while
This must be his favorite haunt
'Cause we always do it up in style Grandma's got the fiddle
And grandpa's got the bass
It's Christmas in Carolina
It's Christmas all over the place Grandma's got the fiddle
Grandpa's got the bass
When it's Christmas in Carolina
It's Christmas all over the place Yes boy, get that stocking out of your mouth
