

# I Need a Man

[sam evian](#)

I need a man I can trust  
A hand to hold  
A way to grow older  
Someone to dull the pain  
To push it away without having to hold them Sometimes the words fall apart  
A body of art  
A centerpiece broken I need someone to stay sand  
To lay themselves down  
To keep soft-spoken I need a man  
I need a man  
I need a man  
Look at the street and don't lie  
Don't make yourself cry  
Don't be your own victim I need a man who won't run  
Someone to call on  
Someone with no tricks to them I need a man  
I need a man  
I need a man  
I need a man I need a man  
I need a man  
I need a man I need a man I need a man  
I need a man  
I need a man  
I need a man  
I need a man  
I need a man  
I need a man  
I need a man  
I need a man
