

I Always Get Lucky with You

George Jones

I've had good luck, and bad luck
And no luck, it's true
But I always get lucky with you I've been turned on, and turned down
When the bars close at two
But I always get lucky with you I keep two strikes against me
Most all of the time
And when it's down to just a phone call
I'm minus a dime There's been good days, and bad days
But when the day is through
I always get lucky with you I keep two strikes against me
Most all of the time
And when it's down to just a phone call
I'm minus a dime There's been good days, and bad days
But when the day is through
I always get lucky with you
I always get lucky with you
