Like That Girl

Fatty Koo

Tell me what should I do
What should I say?
I'm lost for words so I'm comin' to ya
Sisters will you help me?See I don't know
Where to start
To find the keys
To win over a girl's heartWell, they say just remember
When your game comes into play
(Watcha say?)
Gain your composure, some respect
And you'll be okayBecause the ladies will like it when
When you don't succeed, don't get offended
Listen when she speaks and don't pretend
And be always there when she needs a friend
So many things about a girl I can't comprehendOoh, ooh, ooh, I like that girl
Ooh, ooh, ooh, I like that girlYeah, she says that she likes me too
But she's to shy to come talk to me so
I don't know how to make a move
But I want her to be mine, mine, mine, mine, yeah
(I want the baby girl to be mine)Is she the one who will give me love?
(Real love)
Love me for me I'm not askin' much
'Cause true love don't come easily
And if it's meant to be it happens naturally
If you don't look for love it might actually find youOoh, ooh, ooh, I like that girl
Ooh, ooh, ooh, I like that girlYou know, mommy you're the best thing
I ever seen some my way and
I want you to be down with me like I'm with you
Yes you, girl you know you make me goOoh yeah, girl
Ya got me sayin' ooh yeah
Ya got me sayin' ooh yeah
Ya got me sayin' ooh yeahAlright, I'm feelin' everything you've been talkin' about
And for her I need to kick the player out
With no doubt it's been runnin' through my mind
I can't believe true love I have foundMy world, she's forever
My sunshine, my pot of gold at the end of the rainbow
See, love is not about looks or material
But it's meant to heart felt the spiritI like that girl, yeah
I like that girl

I like that girl, yeah
I like that girl
I like that girl
Aw yeah, I like that girl, yeah
