

# Deeper Still

**Beth Nielsen Chapman**

In the tears you gave to me  
I found a river to an ocean  
Concrete sky and a stone cold sea  
I came to where the emptiness cracked open  
All my fears came crashing through  
And met the fire of my sorrow  
But I found my strength in forgiving you  
I never even dreamed how far my heart could go  
To give my life beyond each death  
From a deeper well of trust  
To know that when theres nothing left  
You will always have what you gave to love  
In this life the love you give  
Comes back around to be your treasure  
What you lose will be what you win  
A well that echoes down too deep to measure
