

Nowhere To Go

Backstreet Boys

Looking for beauty in a certain
Finding the strength inside a gray
Maybe I'm heading for a breakdown
And maybe that's ok
Could be I'm hanging on for dear life
Maybe I need to get a grip
Cause you're the only one
That makes me feel like this
So[Chorus]
Save me I'm falling again
Keep me from breakin' in a million pieces
In the end no matter what I do
There's nowhere, nowhere to go Nowhere to go but you Tryin' to make nothing out of something
Promise myself I wouldn't care
Maybe you're making me a liar cause I'm sitting here
You finally crackin' my resistance
And find a way to wear me down Yea, I just look at you
And there's no way out Every single road I take (it's you)
Asleep or wide awake (I know it's you)
And it's too late for anyone to save me I'm falling again
Keep me from breakin' in a million pieces [Chorus: x2] Nowhere to go but you
