

# Shape of Love (feat. Boy & Bear)

## Passenger

[Mike]

I only came inside to get out of the rain,  
And by the looks of things  
She may well have done the same  
Well I swear I know that face  
But I don't know her name  
She's the shape of love  
Oh,[Boy & Bear]

I stir my tea, I throw away wet cigarettes  
I watch her shivering in her rain sodden dress  
I know her makeup runs,  
And her hair may be a mess  
But she's the shape of love[All]  
And I don't ever, want the rain to stop  
I don't ever, want to leave this coffee shop  
I don't ever, want the clouds to part

'Cause the shape of love is the only shape that fits my heart[Mike]  
I only came inside, to get out of the wind  
Now I'm here, let it blow  
Yeah, let sing[Boy & Bear]

'Cause I don't know how this ones going to end  
Or how it may begin  
But she's the shape of love[All]

I don't ever, want the sun to shine  
I don't ever, want to leave this one behind  
I don't ever, want the summertime to start

'Cause the shape of love is the only shape that fits my heartOh, no  
I don't ever, want the rain to stop

I don't ever, want to leave this coffee shop  
I don't ever, want the clouds to part

'Cause the shape of love is the only shape that fits my heartI don't ever, want the sun to shine  
I don't ever, want to leave this one behind  
I don't ever, want the summertime to start  
'Cause the shape of love is the only shape that fits my heart
