

Tell The World

Vivian Girls

Keep it to myself

No way

He knows

What I know

He feels

What I feel

I'll tell the world

About the love that I found

Keep it to myself

No way

He sees

What I see

He feels

What I feel

I'll tell the world

About the love that I found

Keep it to myself

No way

He has

What no one else has

He knows

What no one else knows

I'll tell the world

About the love

The love

The love

That I found
