

It's Not Easy Bein' Green

Brenna Whitaker

It's not that easy being green;
Having to spend each day the color of the leaves.
When I think it could be nicer being red, or yellow or gold-
or something much more colorful like that. It's not that easy being green.
It seems you blend in with so many other ordinary things.
And people tend to pass you over 'cause you're not standing out like flashy sparkles in the water-
or stars in the sky. But green is the color of Spring.
And green can be so cool and friendly-like.
And green can be big like a mountain,
or important like a river,
or tall like a tree.
When green is all there is to be
It could make you wonder why, but why wonder? Why,
I am green and it'll do fine, it's beautiful!
And I think it's what I want to be. But green is the color of Spring.
And green can be so cool and friendly-like.
And green can be big like a mountain,
or important like a river,
or tall like a tree.
When green is all there is to be
It could make you wonder why, but why wonder? Why Wonder,
I am green and it'll do fine and it's beautiful!
And I think it's what I want to be.
