

# One Big Holiday

## My Morning Jacket (House 4-06 - Whatever It Takes)

Wakin' up feelin' good and limber  
When the telephone it ring  
Was a bad man from California  
Tellin' of a stone he'd bring  
And of better days  
From this town, we'd escape  
If we holler loud and make our way  
We'd all live one big holiday  
So we listened and up the river  
And recorded all the sounds  
Was some shakin' and some record playin'  
All the leather kids were loud
