A Friend Is a Friend

Pete Townshend

When eyes meet in silence, a pact can be made
A life-long alliance that won't be betrayed
Won't be betrayedBe friendly, befriend me now
Be friendlyA friend is a friend, nothing can change that
Arguments, squabbles can't break the contract
That each of you makes to the death, to the end
Deliver your future into the hands of your friendBe friendly, befriend me now
Be friendly, befriend me now
Be friendly, befriend me now
Be friendlyA promise is a promise, a handshake will seal it
No amount of discussion can ever repeat it
Commitment forever to borrow or lend
Deliver your future into the hands of your friendBe friendly, befriend me now
Be friendly, befriend me now
Be friendly, befriend me now
Be friendlyWhen eyes meet in silence, a pact can be made
A life-long alliance, that won't be betrayed
You need a mate when facing the end
But what is the fate? Now facing my friend
Facing my friend, yeah, what faces my friend?Be friendly, befriend me now
Be friendly, befriend me now
Be friendly, befriend me now
Be friendlyA friend is a friend, nothing can change that
Arguments, squabbles can't break the contract
That each of you makes to the death, to the end
Deliver your future into the hands of your friend, yeahBe friendly, be friendly, befriend me now
Be friendly, befriend me now
