

# I Know Where Its at (Radio Mix)

## All Saints

I Know where it's at (I know where it's at) 3 x  
I know  
I know  
I know (Where it's at) If you wanna have a good time (I know where it's at)  
If you know you got something on your mind (I know where it's at)  
If you know that you wanna get on down (I know where it's at)  
Don't deny  
Don't be shy just come around I've been watching you and I know you like to party baby  
And you know that that sounds a really good to me yeeah  
Everybody wants to hang out at my party baby  
Don't you know that this is the only place to be  
(Don't you wanna come and see it)  
If you know that you wanna get on down (Bop Bop)  
No need to worry cuz All Saints will be around (Bop Bop)  
So if your feeling kinda lonely baby don't (Bop Bop)  
Cuz I'll be here right by your side ready to flow (Ready to flow)  
(I know where it's at)  
If you wanna have a good time  
(I know where it's at)  
If you know you've got something on your mind  
(I know where it's at)  
If you know that you wanna get on down  
(I know where it's at)  
Don't deny  
Don't be shy just come round  
(i know where it's at) Move around and get on down do what you wanna baby  
you gotta be good you gotta be good  
and ready to go ohh  
I know you've been waiting for my party  
All your lifetime baby  
Everybody in the whole world wants to know  
(Everybody wants to know)  
And to see that there's no-one on the street  
Cuz everyone knows that's where they've got to be  
(I know where it's at)  
If you wanna have a good time  
(I know where it's at)  
If you know you've got something on your mind  
(I know where it's at)

If you know that you wanna get on down  
(I know where it's at)  
Don't think that Don't be shy just come round  
(i know where it's at)One two three four All Saints is in tha house  
We know where it's at (Ha ha ha hat)  
We know where it's at (Ha ha ha hat)Well if you Know you like to party  
And you wanna get on down  
Let me tell you baby  
that you've come to the right town  
Cuz it's party time you gatta get your groove on  
I know you wanna gamp from night to morn.  
Baby got it goin' on I don't see nothin' wrong  
I dance pretty hot and I know you like my song  
So move it like that rats tat tat  
Now we'll conprend that you know where it's at (Just come around)If you wanna have a good time  
(Oh yeah yeah)  
If you know you've got something on your mind  
(Something on you mind)  
If you know that you wanna get on down  
(Wanna get on down)  
Don't deny  
Don't be shy just come round 3x(Fade)If you know that you wanna get down uhh  
If you know that you wanna get down uhh  
If you know that you wanna get down uhh  
If you know that you wanna get down uhh  
Just come around  
If you know that you wanna get down uhh  
If you know that you wanna get down uhh  
If you know that you wanna get down uhh  
If you know that you wanna get down uhh  
Just come around  
Just come around  
Just come around  
(repeat till fade)
