

# You Care for Me (feat. Lowell Pye & Issac Carree)

Michelle Williams

There are times that I can count and say, that life  
seems so unfair.

I just wanna be in your presence lord, because there  
is safety there.

For' I know, that you, will not put more on me than I  
can bear.

So I, will trust you, for' I know that you care, I  
know you care for me.....Oh. I know that you care for me.

That's why I can stand and fight. (i know that you  
care.....yeah yeah yeah)

I can make it through the night.

Because you care for me. (lift your voice and say  
oh.....)Oh. I know that you care for me. (oh, oh, oh, oooh)

That's why I can stand and fight.

I can make it through the night.

Because you care for me. (care for me, care for me)So right in the midst of my storm, I have peace within  
my heart.

I know that your by my side, and your presence will  
never depart.

For' I , I believe, that all my burdens you will  
share.

So I caste them on you.

Cause I know that you care, I know you care for  
me.....Oh. I know that you care for me. (oh I know)

That's why I can stand and fight.

I can make it through the night. ( I can make it  
through the night)

Because you care for me.Singin' oh, ooh.Oh. I know that you care for me. (oh. I know that you  
care, care for me)

That's why I can stand and fight.

I can make it rthrough the night. (yeah, because you  
care, you care for me)

Because you care for me.When I was down ( you lifted me)  
When I was sick ( you healed me)

Thats why I depend on you, cause I know your love is  
true.

Oh. So true.

And I love you, And I praise you.

I'll praise your name, Yes I will.

Cause I'll never ever be the same. No No.
