Impossible

J'Sun

"Verse 1"
I believe in love, I believe that we will be forever
Never ending love, no matter all the space and time between us
You're my everything, all that I need to be beside me
Tough times don't last but we do even when everybody
Try to erase, or try to replace
But no one can tear us a part"Hook"
We make the impossible, so possible
We're unbreakable together
Living the impossible, impossible
We're unbreakable foreverOo, Oo, Oo, Oo
Oo, Oo, Oo, Oo"Verse 2"
I take my hand and touch your heart I feel the beating
There is no doubt a deeper love is what I'm feeling (for you)
You're all I see no one completes me like you do
Baby it's us so we won't ever let anybody
Try to erase, or try to replace
But no one compares to you"Hook"
We make the impossible, so possible
We're unbreakable together
Living the impossible, impossible
We're unbreakable forever"Bridge"
Some people may not understand
How to love like we canOo, Oo, Oo, Oo
Oo, Oo, Oo, Oo"Hook"
We make the impossible, so possible
We're unbreakable together
Living the impossible, impossible
We're unbreakable forever (Repeat 3 X's)
