Mas y Mas

Los Lobos

Let's go, mi chula
Come on out with me
We can throw a changla
Till half pasando three
Get all tangled up
Fall on the floor
Go out, Bailando
Beat down all the doorsUno pa delante
Otro pa detras
Da me chispas, baby
Da me mas y mas y mas y mas y masLet's go, Bailando
Noche's lookin' fine
Jump into the carro
Drink a bunch of wine
Don't tell us nothin'
We look out-a-sight
Tell a lotta lies and
Go outside and fightUno pa delante
Otro pa detras
Da me chispas, honey
Da me mas y mas y mas y mas y mas
