i dont claim to be john wayne
ridin cross that silver screen
andf i aint that picture in your head
of all these modern day wannebes
im just proud to say i dont wear this hat for show or fame
if uyou dont like who i am
you got mamma daddy and the good lord to blaim
Amen

CHORUS
imma striaght up no jokin
buck knife gun toatin
give you the shirt off of my back
well im up at the crak of dawn work will the day is gone
i aint got time for no crap
no im not one of them posin pretty boys
imma everyday all the way 100% cowboy

i always tuck my shirts in
and crease my wrangler jeans
and i dont do it because its who somevbody says i oughta be

and my family is gathered round
theyll say there goes a dyin breed 6 feet in the ground

CHORUS

buck knifer gun toatin
give you the shirt off of my back
no im not one of them posin pretty boys
imma everyday all the way 100% cowboy

well now im not one of them pretty boys
imma everyday all the way 100% cowboy
i said imma cowboy
!00% cowboy
