

# Our First Time

## Bruno Mars

Don't it feel good, babe?  
Don't it feel good, baby?  
'Cause it's so brand new, babe  
It's so brand new, baby Don't it feel good, babe?  
Don't it feel good, baby?  
'Cause it's so brand new, babe  
It's so brand new, baby Girl, here we are  
In this big old empty room  
Starin' at each other  
Who's gonna make the first move Been doin' our thing for a minute  
And now both our hearts are in it  
The only place to go is all the way Is that alright? Is that okay?  
Girl, no need to be nervous  
'Cause I got you all night  
Don't you worry about a thing, no, no, no Just go with it, go with it, go with it  
And I will go real slow with it, slow with it  
It's our first time, go with it, go with it, go with it  
And I will go real slow with it, slow with it  
It's our first time Clothes are not required  
For what we got planned  
Oh girl, you're my desire  
Your wish is my command Treat you like a princess  
Ooh girl, you're so delicious  
Like ice cream on a sunny day  
Gonna eat you before you melt away, yeah Is that alright? Is that okay?  
Girl, no need to be nervous  
'Cause I got you all night  
Don't you worry about a thing, no, no, no Just go with it, go with it, go with it  
And I will go real slow with it, slow with it  
It's our first time, go with it, go with it, go with it  
And I will go real slow with it, slow with it  
It's our first time Don't it feel good, babe?  
Don't it feel good, baby?  
'Cause it's so brand new, babe  
It's so brand new, baby Don't it feel good, babe?  
Don't it feel good, baby?  
'Cause it's so brand new, babe  
It's so brand new, baby Just go with it, go with it, go with it  
And I will go real slow with it, slow with it

It's our first time, go with it, go with it, go with it  
And I will go real slow with it, slow with it  
It's our first time
