

# My Place

Nelly

I used to pride myself on being the other man  
But now it's flipped and I don't want you with no other man  
Why can't you understand anything I'm offering?  
I gave you the world, but you just wanted arguing  
From the time I picked you up, until the time I dropped you  
off again  
Even flipped out on me at the mall again  
It's all his fault again that's what you tellin' all ya friends  
I ain't pointing fingers ma, I just wanna call again  
See how ya day going I know they stressin' on ya  
I know them times get hard, that's why I'm checkin' on ya  
It's yours truly ma, I got little message for ya  
Anything he can do, girl I can do better for ya , 'cause  
When we laugh or we cry it's together  
Through the rain and the stormiest weather  
We gon' still be as one it's forever, it's forever  
Won't you come on and go with me, oh girl?  
Come on over to my place  
Won't you sit ya self down and take a seat  
And let me ease ya mind girl?  
We gon' do it our way, our way  
I heard your friend tell a friend that told a friend of mine  
That you was thinking that we should do it one more time  
If this ain't the truth then hopefully it's not a lie  
'Cause I ain't got no issue with hitting that another time  
We never had a problem with gettin' it done  
Disagreed upon a lot ma, but sex wouldn't one  
Now check it I know you get excited when I come around and bite it  
Quit frownin' up and quit actin' like you don't like it  
I like it, I like it  
I really, really like it  
I want it, adore it  
So come with me enjoy it  
When we laugh or we cry it's together  
Through the rain and the stormiest weather  
We gon' still be as one it's forever, it's forever  
Won't you come on and go with me, oh girl?  
Come on over to my place  
Won't you sit ya self down and take a seat  
And let me ease ya mind girl?  
We gon' do it our way, our way  
Shorty, where you been?  
Feels like a long time, long long time since I seen ya, yes it has girl  
Well, I know I said some fucked up things to you before  
But girl, you know I didn't mean it, I never meant one single word  
If I could take back every word I would and  
more for sure  
If I thought that you believe it  
Hey girl  
'Cause you make my life so convenient for me  
When we laugh or we cry it's together

Through the rain and the stormiest weather  
We gon' still be as one it's forever, it's forever Won't you come on and go with me, oh girl?  
Come on over to my place  
Won't you sit ya self down and take a seat  
And let me ease ya mind girl?  
We gon' do it our way, our way I like it, I like it  
I really, really like it  
I want it, adore it  
So come with me enjoy it I like it, I like it  
I really, really like it  
I want it, adore it  
So come with me enjoy it When we laugh or we cry it's together  
Through the rain and the stormiest weather  
We gon' still be as one it's forever, it's forever When we laugh or we cry it's together  
Through the rain and the stormiest weather  
We gon' still be as one it's forever, it's forever Shorty, where you been?  
Feels like a long time, long long time since I seen ya, yes it has girl  
Well, I know I said some fucked up things to you before  
But girl you know I didn't mean it, I never meant one single word If I could take back every word I would and  
more for sure  
If I thought that you believe it  
Hey girl  
'Cause you make my life so convenient for me
