Like A Racecar

Hawk Nelson

Broken words said to me
These broken mirrors make it hard to see
Does anyone feel the same
I need some help, I need some changeBroken dreams and broken hearts
You broke my trust right from the start
How am I supposed to feel
When nothing's ever realIf you want me try to take me
On the inside, just like a race carCarry on but daddy's gone
Tell me what did I do wrong
I need your help 'cause I don't know
Take it slow, look out belowI'm traveling past
The ever-growing graffiti on the over-pass
I wave to everybody while I fly on past
'Cause this race car was built to lastIf you want me try to take me
On the inside, just like a race car
It cuts the corners if you'd like to take me away
I want to but I can't let goIt's six in the morning here I lay
Awake I'm waiting for my mind to clear up
So I can rewind and just count myself to sleep
And everyday I want to climb to a new height
My life is like the making of a long ride
I started the ignition such a ling time agoAnd if you want me try to take me
On the inside, just like a race car
It cut the corners if you'd like to take me away
I want to but I can't let goI'll let you drive, I'll let you drive
I'll let you drive, I'll let you take me away
I'll let you take me away
