

# All Your Love

## Aerosmith

All your love I miss lovin'  
All your kiss I miss kissin'  
All your love I miss lovin'  
All your kiss I miss kissin'Ever since I left you, baby  
I never knew what I was missin'All your love I miss lovin'  
All your kiss I miss kissin'  
All your love I miss lovin'  
All your kiss I miss kissin'Ever since I left you, baby  
I never knew what I was missin'All your lovin', pretty baby  
That I had in store for you  
All your lovin', pretty baby  
That I had in store for you  
All your lovin', pretty baby  
What could a poor boy doAll your lovin', pretty baby  
All your lovin', pretty baby  
All your lovin', all your lovin'  
All your lovin', all your lovin'  
All your lovin', all your lovin'  
All your lovin', pretty baby  
What could a poor boy doAll your lovin', pretty baby  
And all your kissin' is kissin'  
All the lovin' you gave me, pretty baby  
All your kissin' is kissin'Ever since I left you, baby  
I n-n-never knew what I was missin'
