

For Once In My Life

Frank Sinatra

For once in my life I got someone who needs me
Someone I've needed for so long
For once unafraid I can go where life leads me
Somehow I know I'm gonna be strong
For once I can touch
What my heart used to dream of long before I knew
Someone warm like you
Could make my dreams, make them all come true
For once in my life I won't let sorrow hurt me
Not like it hurt me once before
For once I got someone I know won't desert me
I'm not alone anymore
For once I can say, "This is mine you can't take it"
Long as there's love I know that I'm gonna make it
For once in my life I got someone who needs me
