Cruise (feat. Andrew Jackson)

Kygo

Sunset rolling, summer stolen
We'll never be so young
Checking wishes, shock on kisses
Tripping off my tongueSee I'm giving up the fire
They said it was too late for us
But we are coming back to life
A little every time we touch
I wanna run away tonight
I feel like I'm in love with you
Tomorrow we can face the lie
Right now, let's justCruise
Cruise
Cruise
CruiseOpen windows, all four fingers
Dancing on the wind
My heart's thumping, goosebumping
All over my skinSee I'm giving up the fight
They said it was too late for us
But we are coming back to life
A little every time we touch
I wanna run away tonight
I feel like I'm in love with you
Tomorrow we can face the lie
Right now, let's justCruise
Cruise
Cruise
CruiseCruise
Cruise
Cruise
Cruise
Cruise
