

# In the Grass

## Vacationer

Oh come, oh come in, overwhelmed over nothing  
When the days start dragging, ooh, it starts pulling you down  
Then the thoughts line up and your mind starts letting you out

The breeze keeps turning, your mind keeps turning, the breeze keeps coming, the dreams keep coming back...

To life...

You can lay your head  
Down in the grass  
Be yourself  
With open eyes, every time  
You can lay your head  
Down in the grass  
Be yourself  
With open eyes, every time  
Oh mind over matter, over time, in a pattern  
When the days keep rolling, oh it starts pulling you up  
And the breeze keeps coming, dreams keep coming to life...

To life...

You can lay your head  
Down in the grass  
Be yourself  
With open eyes, every time  
You can lay your head  
Down in the grass  
Be yourself  
With open eyes, every time  
Breeze keeps coming...  
Dreams keep coming...

Breeze keeps coming, dreams keep coming to life...

You can lay your head  
Down in the grass  
Be yourself  
With open eyes, every time  
You can lay your head  
Down in the grass  
Be yourself  
With open eyes, every time  
You can lay your head  
Down in the grass  
Be yourself

With open eyes, every time  
You can lay your head  
Down in the grass  
Be yourself  
With open eyes, every time
