One Day Without You

John Martyn

One day without you
And I feel just like I'm somebody else
One day without you
And there's a fear there might be somebody elseYou know, I'd like to keep you
Keep you to myself and by my side
You know, I'd like to keep you
Just like I know it's wrong to try
Just like my baby is born to cry
Every bird that sings is born to flyOne day without you
And I feel just like some lost ship at sea
One day without you
And every friend I meet seems strangeYou know that I'd like to keep you
Keep you to myself and by my side
You know I'd like to keep you
Just like I know it's wrong to try
Just like my baby is born to cry
Every bird that sings is born to flyOne day without you
I feel a hole just where my heart should be
One day without you
And I feel just how sad my life could beYou know I'd like to keep you
Keep you to myself, keep by my side
You know I'd like to keep you
Just like I know it's wrong to try
Just like my baby is born to cry
Every bird that sings deserves to fly
