

I Don't Mind

Monica Heldal

And I've been missing those mountains,
now I'm back here alone,
and I've been missing those houses,
when you take it all,
and when I fail, you fail, it's all the same,
I don't bother we will see,
and maybe you'll stop this jumping on the rooftops,
but I don't care whether,
but I don't mind,
but I don't mind,
cause in time when the winds harrenhall,
yeah in time the winds survive,
the winds survive.
And if you've been running around,
running around to the dark side of the town,
and I don't know where you are,
like a shadow on the run,
like a shadow who had done,
nothing beneath the stars,
and nothing more,
and nothing more,
but I don't mind,
but I don't mind,
cause in time when the winds harrenhall,
yeah in time the winds survive,
the winds survive.
And I don't mind,
I don't mind,
cause in time when the winds harrenhall,
yeah in time the winds survive,
the winds survive.
And ohh I,
ohh I,
cause in time when the winds harrenhall,
yeah in time the winds survive,
the winds survive.
end.
