Plowed (Rerecorded)

Sponge

Will I wake up
Is it a dream I made up
No I guess it's reality
What will change us
Or will we mess up
Our only chance to connect
With a dreamSay a prayer for me
I'm buried by the sound
In a world of human
Wreckage
I'm lost and I'm found
And I can't touch the
Ground
I'm plowed into the soundTo see wide open
With a head that's broken
Hang a life on a tragedy
Plow me under the ground
That covers the message
That is the seed
