

Keep Warm

Ingrid Michaelson

Eyes on the prize and I can't capsize this time
'Cause there's somebody else in my boat
Used to live alone in a tomb I made my own
But now I've gone and given up my coat And it's cold outside but I'm just fine
You are mine to keep warm Down down down I go
On a road that I don't know
But I ain't got a thing in my bag
Some things you can not plan
Like your hand in mine
Just put your hand in mine And it's cold outside but I'm just fine
You are mine to keep warm
Yeah it's cold outside but I'm just fine
You are mine to keep warm Sables and wine till the end of time
Oh you give me much more than that
Diamond rings and beautiful things
Oh you give me much more than that
When you smile You are mine to keep warm
And it's cold outside but I'm just fine
You are mine to keep warm
