Keep Warm

Ingrid Michaelson

Eyes on the prize and I can't capsize this time 'Cause there's somebody else in my boat Used to live alone in a tomb I made my own But now I've gone and given up my coatAnd it's cold outside but I'm just fine You are mine to keep warmDown down I go On a road that I don't know But I ain't got a thing in my bag Some things you can not plan Like your hand in mine Just put your hand in mineAnd it's cold outside but I'm just fine You are mine to keep warm Yeah it's cold outside but I'm just fine You are mine to keep warmSables and wine till the end of time Oh you give me much more than that Diamond rings and beautiful things Oh you give me much more than that When you smileYou are mine to keep warm
