## **Young Love**

## **Perry Como**

Young love, young love Young love, young love They say, for every boy an' girl There's just one love in this whole world And I know, I found mine The heavenly touch of your embrace Tells me no one can take your place Ever in my heart Young love, first love Filled with true devotion Young love, our love We share with deep emotion Emotion, emotion Oh, just one kiss from your sweet lips Will tell me that your love is real And I can feel, that it's true We will vow to one another There will never be another Love for you or for me Young love, first love Filled with true devotion Young love, our love We share with deep emotion **Emotion** Young love, young love, young love
