Tender Is the Night

Bryan Ferry

Now picture this, my point of view
In an ideal world I see the likes of you
Such as it is, babes in the wood
At the best of times I feel misunderstoodNo work, no play
A million miles away
Tender is the night
I'm frantic todayNo play
A million miles away
Tender is the night
I'm frantic todayIt makes no sense, you'd think of me
When I'm out of place in your society
I wanna be where strangers meet
I wanna hold you at the dark end of the streetNo work, no play
A million miles away
Tender is the night
I'm frantic todayNo play
A million miles away
Tender is the night
I'm frantic todayIs this the end? Then let me know
Are you wanting me to stay, should I go?
Fancy words, go fast and loose
I'm too tongue-tied for the company you chooseNo work, no play
A million miles away
Tender is the night
I'm frantic todayNo play
A million miles away
Tender is the night
I'm frantic todayTender is the night
I'm frantic today
