Hero

Catherine Mullins

So we give it all up
Give it all up now
We let it all go
Let it all go now
We lay it all down
Lay it all down now to Jesus

So we give it all up
Give it all up now
We let it all go
Let it all go now
We lay it all down
Lay it all down now to Jesus

My Hero is coming to my rescue
My Hero is coming to my rescue
My Hero is coming to my rescue
Coming to save the day

My Hero is coming to my rescue
My Hero is coming to my rescue
My Hero is coming to my rescue
Coming to save the day

So we give it all up
Give it all up now
We let it all go
Let it all go now
We lay all down
Lay it all down now to Jesus

So we give it all up
Give it all up now
We let it all go
Let it all go now
We lay all down
Lay it all down now to Jesus

My Hero is coming to my rescue
My Hero is coming to my rescue

My Hero is coming to my rescue
Coming to save the day

My Hero is coming to my rescue
My Hero is coming to my rescue
My Hero is coming to my rescue
Coming to save the day

I believe it
You are faithful
You are sovereign

I know that
He will not abandon
I know that I am not foresaken
I know that that He will deliver me

Whenever I
call to Him
He will answer

My Hero is coming to my rescue
My Hero is coming to my rescue
My Hero is coming to my rescue
Coming to save the day

My Hero is coming to my rescue
My Hero is coming to my rescue
My Hero is coming to my rescue
Coming to save the day

Come into my circumstances
Come into my circumstances
Come into my circumstances
And be my Hero
And save the day

Come into my circumstances
Come into my circumstances
Come into my circumstances
And be my Hero
And save the day

My Hero is coming to my rescue
My Hero is coming to my rescue
My Hero is coming to my rescue

Coming to save day

My Hero is coming to my rescue
My Hero is coming to my rescue
My Hero is coming to my rescue
Coming to save day

You're coming to save
You're coming to save
You're coming to save
You're coming to save
You're coming to save

You're coming to
save the day

So we give it all up
Give it all up now
We let it all go
Let it all go now
We lay all down
Lay it all down now to Jesus
