

# The Way That I Feel (feat. Ralph Sharon Trio)

**Tony Bennett**

This is the way that I do feel  
I feel it everywhere I go  
I feel just like an engine  
That lost its drivin' wheel I am feelin' down as a man can feel  
Since she said that  
She don't want me hangin' around  
Feel like a tin can just rustin'  
Way out on the dumpin' ground It sure is hard to stumble down  
When you ain't got no place to fall  
Seems like in this whole earth  
I ain't got no place at all I am feelin' like a stranger here  
I feel like a stranger everywhere  
I feel like I'd like to go back home  
But I'm stranger there
