

# Sluts Get Guts

## Blood On the Dance Floor

He's under you  
(He's under you!)  
Sluts get guts  
Fate! cuts  
Make me feel murderess  
Made you cry  
Made you die  
Makes me feel so alive!  
You got served  
You deserve it  
Take what on the curb\*  
All the sluts  
Drive me nuts  
That's why all they get is guts! Sluts get guts!  
Kill em' till they rot  
Sluts get guts!  
Kill em' till they rot
