

# Like Tears In Rain

## Covenant

Go to the Empire State and watch the city lights  
Hear the noise of millions struggle in the sprawl  
Stare into the sky we're few and far between  
Black eyes full of stars wide with memories Every street I ever walked  
Every home I ever had is lost  
Every flower I ever held  
Every spring I ever had has dried Every man I ever knew  
Every woman I ever had is gone  
Everything I ever touched  
Every thing I ever had has died Lie down in the park and watch the satellites  
Hear the children sing just a breath away  
Dance in the heavy air along the Interstate  
Black lung full of fumes choke on memories Every street I ever walked  
Every home I ever had is lost  
Every flower I ever held  
Every spring I ever had has dried Every man I ever knew  
Every woman I ever had is gone  
Everything I ever touched  
Every thing I ever had has died Every street I ever walked  
Every home I ever had is lost  
Every flower I ever held  
Every spring I ever had has dried Every man I ever knew  
Every woman I ever had is gone  
Everything I ever touched  
Every thing I ever had has died
