Royal Blue

The Royal Teens

Why would I make that face, oh, why would I?
Why would I test my faith, oh, why would I?
Oh, whoa, I see that rain cloud comin' right for me
Why would I say my name, oh, why would I?
When I'm so far away, oh, why would I?
Oh, whoa, I guess I've always been a bit of a fighter
From now on, wear my love for you loose
From now on, I am just passing through
From now on, just my feeling is true
From now on, call me Royal Blue
Why would I stick around, oh, why would I?
Why would I get burned out, oh, why would I?
Oh, whoa, for me, I'm always waiting in shadows
Oh, whoa, for me, I'm always looking for a way out

From now on, with the sky as my roof
From now on, let the risk lead me to
From now on, somewhere I never knew
From now on, call me Royal Blue
Hey, hey, hey, hey, hey, hey
From now on, fly as high as I want
From now on, I'll show my weak spot
From now on, in all that I do
From now on, call me Royal Blue
From now on, wear my love for you loose
From now on, I am just passing through
From now on, just my feeling is true
From now on, call me Royal Blue
