

Nothing (interlude)

Jill Scott

I gotta admit, sometimes I feel weak
For loving you the way I do
It's beyond me, can't control it or force it to be
You know, what I want it to be
I think about you so much
When I'm with you and when I'm not
It's deep, the way, just looking in your eyes
Just changes my whole perspective
Nothing is more beautiful than loving you
Holding you, being next to you
Kissing your lips
Taking my time with you
Nothing is more beautiful than loving you
Holding you, being next to you
Moving my hips
Moving in time with you
