

# Further Away (DIMES Remix)

## Satchmode

Girl, you are the only one I've ever loved  
Part myself in two  
Girl, you are the only one I've ever loved,  
But you tore my heart in two I can barely believe it,  
All this space between us  
I'm trying to hold on  
You're always drifting FURTHER AWAY  
From me  
I can barely believe it,  
All this space between us  
I'm trying to hold on  
You're always drifting FURTHER AWAY  
Girl, do I know you anymore?  
So much time has passed  
Girl, could you love me no more?  
I'm afraid to ask. And I can barely believe it,  
All this space between us  
I'm trying to hold on  
You're always drifting FURTHER AWAY  
From me  
I can barely believe it,  
All this space between us  
I'm trying to hold on  
You're always drifting FURTHER AWAY  
Always drifting  
Always drifting  
Always drifting  
Always drifting
