Cool from the Wire

Dirty Looks

Paint your lips, fingertips
Yeah, baby spray your hair
That's what you like to do
Make it to the show
All your friends gonna be there, oh yeahThe band's really grand
Come and hear them play
Shoo be do wah, a-shoo be do be do wah
Have a drink, what'cha think
This could be your luck day, yeah hey, heyCool, cool from the wire
Cool, cool from the wire turns you on
From the wire
Cool, cool from the wire turns you onDiamond rings and things
That you touch are for real
Money, money, money oh, money, money, money
Love those guitar pickers
Sweet to your lovely feelOh, sticky fingers
Hey, you turn on to a song
All your life is a holiday, yeah hey heyCool, cool from the wire
Cool, cool from the wire turns you on
From the wire
Cool, cool from the wire turns you onI know the wire baby faster, faster
Let yourself go, woah
You know the boys in the band are
All backstage after the show, uh ohWire, from the wire
Lovely wire, makes you coolCool, cool from the wire
Cool, cool from the wire turns you on
From the wire
Cool, cool from the wire turns you onCool, cool from the wire
Cool, cool from the wire turns you on
From the wire
Cool, cool from the wire turns you onFrom the wire
Cool, cool from the wire turns you on
From the wire, turns you on
