How Might I Live

Real Estate

How might I live to betray you?
How might I live to see the day?
How might I live to say you're not the one I love?
How might I find the words to say?Down in my home, Louisiana
Down in my home where I stay
Got to find the words to say you're not the one I love
How might I live to see the day?But I give so I'm going on.
Call if you heard other songs
But I can't, so I'm going on
How might I live to see the day?
