

# Misery (Feat Steve Tyler Richi

[Pink](#)

Shadows are fallin' all over town  
Another night and these blues got me down  
Oh misery, I sure could use some company  
Since he's been gone, I ain't been the same  
I carry the weight like an old ball and chain  
Guess, it's all meant to be for love to cause me misery Oh misery, oh misery  
Tell me why does my heart make a fool of me  
Seems it's my destiny  
For love to cause me misery And oh, I've been down this road before  
With a passion it turns into pain  
And each time I saw love walk out the door  
I swore I never get caught again But ain't it true, it takes what it takes  
And sometime we get too smart to leave  
One more heartache for me  
Another night of misery, oh Oh, oh misery, oh misery  
Tell me why does my heart make a fool of me  
Oh misery, oh misery  
Tell me why, why, why, why, why, why does this  
Heart make a fool of me? Seems it's my destiny  
For love to cause misery, oh  
Misery, guess it's all meant to be  
For love to cause me misery, oh no, yeah  
Misery
