

# Beautiful Girl of the Prairie

Wilf Carter

Oh-dee-lay-dee-oh dee-lay-ee-oh oh-layeeeeeeAye-hi-aye-aye  
Beautiful girl on the Prairie  
With eyes of blue and a heart so true  
She's a girl I am going to marryAye-hi-aye-aye  
Beautiful girl on the Prairie  
We ride along we'll sing a song  
Of our love and live on the prairieIn the sunset glow we'll ride and flow  
Just me and my gal on the prairie  
I dream and dream and lovely it seems  
How could we ever be lonelyAye-hi-aye-aye  
Beautiful girl on the Prairie  
With eyes of blue and a heart so true  
She's a girl I am going to marryAye-hi-aye-aye  
Beautiful girl on the Prairie  
We ride along we'll sing a song  
of our love and live on the prairieWe swing we swerve and strumming guitar  
We'll pledge our love forever  
no rose so fair can ne'er compare  
to my sweetheart on the prairieAye-hi-aye-aye  
Beautiful girl on the Prairie  
With eyes of blue and a heart so true  
She's a girl I am going to marryAye-hi-aye-aye  
Beautiful girl on the Prairie  
We ride along we'll sing a song  
of our love and live on the prairieOh-dee-lay-dee-ho dee-layee-oh oh-layee-oh-layee oh-layeeee
